PHOTOCOPYING OF OWN CHOICE PIECES:

The Music Publishers Association has issued a revised Code of Practice on making copies of copyright works.

The following concession is made for the copying of Own Choice music:

- a) A copy from volumes may be made for the Adjudicator only, all other copies must not be photocopied without the permission of the copyright holder in each case. When an Own Choice title is selected from a publication containing different works, and which is not published separately, one copy may be made for Adjudicator's use at Festivals, provided that performers have already purchased their own published copy, and that, at the close of the Class, the copy made is given to a Music Section Leader who will then destroy it.**
- b) Photocopies for the Adjudicator must be totally legible, or they may be refused.**
- c) The concession referred to at (a) does not apply to music for Accompanists, WHO MUST ALWAYS BE PROVIDED WITH A PUBLISHED COPY of the music.**
